### 1. Identification

**Product identifier**
- **Trade name**: SL-SVAC FG 68
- **Product description**: Synthetic Vacuum Pump Lubricant - Food Grade

**Details of the supplier of the safety data sheet**
- **Manufacturer/supplier**: Synthetic Lubricants & Filters, Inc
  - 7401 University Drive - Shreveport, LA 71105
  - 318-779-0682

**Emergency telephone number**: 318-779-0682

### 2. Hazard(s) Identification

**Classification of the substance or mixture**: The substance is not classified according to the Globally Harmonized System (GHS).

**Label elements**
- **GHS label elements**: Non-regulated material
- **Hazard pictograms**: Non-regulated material
- **Signal word**: Non-regulated material
- **Hazard statements**: Non-regulated material

**Classification System**
- **NFPA ratings (scale 0-4)**: Health=0; Fire=1; Reactivity=0  
  ![NFPA ratings](image)
- **HMIS-ratings (scale 0 - 4)**: Health=0; Fire=1; Reactivity=0  
  ![HMIS-ratings](image)
3. Composition / Information on Ingredients

Chemical characterization Mixtures
Description Mixture of the substances listed below with nonhazardous additions
Dangerous Components Non-regulated material

4. First-aid Measures

Description of first aid measures
General information No special measures required
After inhalation Supply fresh air; consult doctor in case of complaints
After skin contact Generally the product does not irritate the skin
After eye contact Rinse opened eye for several minutes under running water
After swallowing If symptoms persist, consult doctor
Most important symptoms and effects, both acute and delayed No further relevant information available
Indication of any immediate medical attention and special treatment needed No further relevant information available

5. Fire-fighting Measures

Extinguishing media
Suitable extinguishing agents CO₂ or Powder. Water mist to cool, no direct water spray. Collect spillage.
Special hazards arising from the substance or mixture No further relevant information available
Advice for firefighters
Protective equipment As in any fire, wear self-contained breathing apparatus pressure-demand (NIOSH approved or equivalent), and full protective gear to prevent contact with skin and eyes.

6. Accidental Release Measures

Personal precautions, protective equipment and emergency procedures Not required
Environmental precautions No special measures required
Methods and material for containment and cleaning up Absorb with liquid-binding material (i.e. sand, diatomite, acid binders, universal binders, sawdust). Dispose of the collected material according to regulations.
Reference to other sections See Section 7 for information on safe handling.
See Section 8 for information on personal protection equipment.
See Section 13 for disposal information.
7. Handling and Storage

Precautions for safe handling: No special measures required

Information about protection against explosions and fires: No special measures required

Conditions for safe storage, including any incompatibilities

Storage

Requirements to be met by storerooms and receptacles: No special requirements

Information about storage in one common storage facility: Not required

Further information about storage conditions: None

Specific end use(s): No further relevant information available

8. Exposure Controls / Personal Protection

Additional information about design of technical systems: No further data; see section 7

Control parameters

Components with occupational exposure limits: The product does not contain any relevant quantities of materials with critical values that have to be monitored at the workplace

Additional information: The lists that were valid during the creation were used as basis

Exposure controls

Personal protective equipment

General protective and hygienic measures: The usual precautionary measures for handling chemicals should be followed

Breathing equipment: Normally not necessary. If mist is generated, wear approved organic vapor respirator suitable for oil mist areas with sufficient oxygen.

Protection of hands: Normally none required, for direct contact of more than 2 hours, PVC, Viton, or Nitrile gloves are recommended.

Material of gloves: Not required

Penetration time of glove material: Not applicable

Eye protection: Normally none required, chemical goggles if splashing is likely or high pressure systems are used.
9. Physical and Chemical Properties

Information on basic physical and chemical properties

10. Stability and Reactivity

Reactivity No further relevant information available
Chemical stability Stable under normal conditions
Thermal decomposition / conditions to be avoided No decomposition if used according to specifications
Possibility of hazardous reactions No dangerous reactions known
Conditions to avoid No further relevant information available
Incompatible materials No further relevant information available
Hazardous decomposition products No dangerous decomposition products known

11. Toxicological Information

Information on toxicological effects
Acute toxicity
Primary irritant effect
On the skin No irritating effect
On the eye No irritating effect
Additional toxicological information The product is not subject to classification according to internally approved calculation methods for preparations: When used and handled according to specifications, the product does not have any harmful effects according to our experience and the information provided to us.

Carcinogenic categories
IARC (International Agency for Research on Cancer) None of the ingredients are listed.
Group 1 - Carcinogenic to humans
Group 2A - Probably carcinogenic to humans
Group 2B - Possibly carcinogenic to humans
Group 3 - Not classifiable as to its carcinogenicity to humans
Group 4 - Probably not carcinogenic to humans

NTP (National Toxicology Program) None of the ingredients are listed
OSHA-Ca (Occupational Safety & Health Administration) None of the ingredients are listed

12. Ecological Information

Toxicity No data is available on this product
Aquatic toxicity No further relevant information available
Persistence and degradability No further relevant information available
Bioaccumulative potential No further relevant information available
Mobility in soil No further relevant information available
Additional ecological information
12. Ecological Information (continued)

General notes
Generally not hazardous for water

Results of PBT and vPvB assessment
PBT Not applicable
vPvB Not applicable
Other adverse effects No further relevant information available

13. Disposal Considerations

Waste treatment methods
Recommendation Smaller quantities can be disposed of with household waste. Recycle or dispose with household trash.

Uncleaned packagings
Recommendation Disposal must be made according to official regulations.

14. Transportation Information

UN-Number
DOT, ADN, IMDG, IATA Non-regulated material
ADR Non-regulated material

UN proper shipping name
DOT, ADN, IMDG, IATA Non-regulated material

Transport hazard class(es)
DOT, ADN, IMDG, IATA Non-regulated material

Class Non-regulated material

Packing group
DOT, ADN, IMDG, IATA Non-regulated material

Environmental hazards
Marine pollutant No
Special precautions for user Not applicable
Transport in bulk according to Annex II of MARPOL73/78 and the IBC Code Not applicable

UN "Model Regulation" —
15. Regulatory Information

Safety, health and environmental regulations/legislation specific for the substance or mixture

Sara

Section 355 (extremely hazardous substances) None of the ingredients are listed
Section 313 (Specific toxic chemical listings) None of the ingredients are listed
TSCA (Toxic Substances Control Act) None of the ingredients are listed

Proposition 65

Chemicals known to cause cancer None of the ingredients are listed
Chemicals known to cause reproductive toxicity for females None of the ingredients are listed
Chemicals known to cause reproductive toxicity for males None of the ingredients are listed
Chemicals known to cause developmental toxicity None of the ingredients are listed

Carcinogenic categories

EPA (Environmental Protection Agency) None of the ingredients are listed
TLV (Threshold Limit Value established by ACGIH) None of the ingredients are listed
NIOSH-Ca (National Institute for Occupational Safety and Health) None of the ingredients are listed

GHS label elements Non-regulated material
Hazard pictograms Non-regulated material
Signal word Non-regulated material
Hazard statements Non-regulated material
National regulations Non-regulated material
State Right to Know Non-regulated material
Chemical safety assessment A Chemical Safety Assessment has not been carried out.
16. Other Information

The information and recommendations in this safety data sheet are, to the best of our knowledge, accurate as of the date of issue. Nothing herein shall be deemed to create warranty, expressed or implied and shall not establish a legally valid contractual relationship. It is the responsibility of the user to determine applicability of this information and the suitability of the material or product for any particular purpose.

Date of preparation / last revision 02/19/2016 / 1

ADR: Accord européen sur le transport des marchandises dangereuses par Route
(European Agreement concerning the International Carriage of Dangerous Goods by Road)

ADN: The European Agreement concerning the International Carriage of Dangerous Goods by Inland Waterways

IMDG: International Maritime Code for Dangerous Goods

DOT: US Department of Transportation

IATA: International Air Transport Association

ACGIH: American Conference of Governmental Industrial Hygienists

EINECS: European Inventory of Existing Commercial Chemical Substances

ELINCS: European List of Notified Chemical Substances

CAS: Chemical Abstracts Service (division of the American Chemical Society)

NFPA: National Fire Protection Association (USA)

HMIS: Hazardous Materials Identification System (USA)
