Phone: 800-637-5126 / 866-797-3325
Fax: 866-305-5126 - www.slfi.net

The SLFI Compressor fluids shown above are top off compatible with compressor fluids on the same row. For centrifugal compressors, an ISO 22 or 32 fluid is recommended. Our SL-Universal can be used as a direct replacement for all non-food grade screw compressor lubricants below, other than silicones. If a compressor fluid is not shown, please consult a SLFI representative.
